No woman should ever feel forced to complete an abortion when she has a change of heart.

CURRENT HIGHLIGHTS

IDAHO HEARTBEAT BILL

The medical team and staff of Stanton played a vital role in seeing this legislation passed. Planned Parenthood filed suit with the Idaho Supreme Court to block the law. Stanton was asked to file an amicus brief on behalf of all Idaho pregnancy centers. We will always work to protect preborn babies and their mothers from abortion violence.

Stanton has seen over 1,400 babies saved from abortion since our founding in 2006.

BOISE WELLNESS CENTER

Our Wellness Center provides baby supplies, advocacy appointments, and classes on lactation care, pre- and post-natal education, After Abortion Care, and more. It is also home to our Stanton Baby Boutique which features handmade clothing and other items as gifts for our Stanton Moms.

Stanton Mom Cassidy & Stanton Baby Laney

Penni is the grandmother of a Stanton Baby who was placed for adoption 14 years ago. She sews handmade dresses for our Stanton Babies - featured in our new Stanton Baby Boutique!

2021 SPRING BABY BOTTLE DRIVE

Last year, 46 churches and over 100 volunteers united to bring hope to our Stanton Moms and Babies on a single Sunday in May. Over \$325,000 was raised to continue our critical work! This year, over 55 churches are uniting to Keep the Doors of Hope Open at Stanton.

Please prayerfully consider a gift of **\$65, \$650, or \$6500** to save lives and provide hope.

Thank you for standing with Stanton to bring **LIFE** to our Valley and beyond!
